MEMBERSHIP FORM

The Friends of St. Mary's Church, Indian River is a not-for-profit organization established in 2009 to support community efforts to restore and operate the church as a cultural centre.

St. Mary's Church, Indian River is located near Malpeque Bay in Prince Edward Island. Designed by architect William Critchlow Harris, the church was built by members of the local community. St. Mary's Church, Indian River is an excellent example of a Victorian High Gothic church.

The Friends want to increase awareness locally, nationally and throughout the world of the architectural, historical and cultural significance of St. Mary's Church, Indian River. The Friends support the use of the church by the world renowned Indian River Music Festival. We are dedicated to the preservation and presentation of the history of the church as a sacred place.
